

stay SUN RANCH

An exclusive estate nestled in the Coopers Shoot area, Sun Ranch is 15 minutes from Byron Bay and two minutes from the town of Bangalow. Set on 55 acres, it offers curated interiors that blend '70s California ranch-style nostalgia with Spanish influences.

Guests have the option to book The Rambler Longhouse – a five-bedroom luxury guest house – or one of six two-bedroom barns.

Unique gathering spaces dotted across the property include a 25-metre hillside pool; an outdoor dining space with Argentinian BBQ, alfresco kitchen and fire pit; a woodfired floating sauna; and even a whiskey lounge.
